

Texas Christian University Policy

Policy Number: 2.060

Subject: Firearms and Deadly Weapons

Effective Date: March 1, 1996

Revised: April 1, 2003

I. Purpose

Texas Christian University is committed to providing a safe environment for employees, students and campus visitors. Therefore, the university, in accordance with the Texas Penal Code, prohibits the possession of any firearm or deadly weapon on university property or at university-sponsored events even if an individual has been issued a license by the state.

II. Procedures

Violation of this policy will result in disciplinary action.
